AND CANDIDATE FILING DEADLINES FOR BALLOT ACCESS**

Note: Dates Subject to Change / General Election Date 11/05/2024

(Data as of 12/15/2023)

The FEC has jurisdiction over federal campaign finance law and does not have authority over the administration of elections.

Establishing the date for a Presidential primary, and determining the type of Presidential primary held, varies from state to state. This is due to differences in state statutes, party constitutions, party rules and regulations, party by-laws, and delegate selection plans. In some states, a caucus and/or convention may be held instead of a Presidential primary election. Other states may use a combination of both caucuses and primaries for delegate selection. This state-by-state variation should be kept in mind when examining this listing of dates for the 2024 Presidential primaries.

Questions concerning a state’s primary election procedure should be addressed to the state’s Election Director. The dates listed are tentative and subject to change.
